**Re: *United States v. John Doe*, 13 Cr. 328 (CS)**

Dear Judge Seibel:

The Government writes to request that the Court unseal this docket. Sealing was warranted previously as the defendant was assisting the Government in ongoing, covert investigations, which would have been disrupted had the defendant's cooperation been disclosed publicly. But those investigations are now complete. Moreover, the individuals charged as a result of those investigations are aware of the defendant's cooperation, as they have been provided copies of the recordings that the defendant prepared.

Accordingly, the Government respectfully requests that the Court unseal the docket. The Government has conferred with defense counsel and understands that the defendant does not oppose this request.

Respectfully,

DAMIAN WILLIAMS  
United States Attorney
